This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and the true and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's responsibility

Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the director, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

PRINCIPAL CHAN FREE TUTORIAL WORLD LIMITED (LIMITED BY GUARANTEE) NOTES TO THE FINANCIAL STATEMENTS 31ST MARCH, 2014

1. GENERAL INFORMATION

The Association was incorporated under the Predecessor Hong Kong Companies Ordinance on 25th May, 2011 as a company limited by guarantee and not having a share capital. According to the Memorandum of the Association, the liability of each member is limited to the extent of HK\$100. The Registered office address of the Association is Unit B, 1/F., Greenery Court, 250-252 Fa Yuen Street, Mong Kok, Kowloon, Hong Kong.

2. BASIS OF PREPARATION AND ACCOUNTING POLICIES

These financial statements have been prepared in accordance with the Hong Kong Financial Reporting Standard for Private Entities ("HKFRS for Private Entities") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and the requirements of the predecessor Hong Kong Companies Ordinance. The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

a) Basis of accounting

These financial statements have been prepared under the historical cost convention.

b) Property, plant and equipment

Items of property, plant and equipment are measured at cost less accumulated depreciation and any accumulated impairment losses.

Depreciation is charged so as to allocate the cost of assets less their residual values over their estimated useful lives, using the straight-line method. The following annual rates are used for the depreciation of property, plant and equipment:

Furniture and fixtures

20% per annum

Gain or loss arising from the derecognition of the item of property, plant and equipment is included in the income statement in the year when the item is derecognized and is determined as the difference between the net disposal proceeds, if any, and the carrying amount of the item.

c) Impairment of assets

An assessment is made at each year and date of whether there is any indication of impairment or reversal of previous impairment, including items of property, plant and equipment and long-term investment. In the event that an asset's carrying amount is reduced to recoverable amount and impairment loss is recognized in profit or loss. A previously recognized impairment loss is reversed only if there has been a change in estimates used to determine the recoverable amount, however not to an amount higher than the carrying amount that would have been determined (net of amortization or depreciation), had no impairment losses been recognized for the asset in prior years.

2. BASIS OF PREPARATION AND ACCOUNTING POLICIES (CONTINUED)

d) Trade and other receivables

Trade and other receivable are recognized initially at the transaction price. They are subsequently measured at amortized cost using effective interest method, less provision for impairment. A provision for impairment of trade and other receivables is established when there is objective evidence that the Association will not be able to collect all amounts due according to the original terms of the receivables.

e) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and demand deposits, and short term highly liquid investments which are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value, and have a short maturity of generally within three months when acquitted, less bank overdrafts and advances from bans repayable within three months from date of the advance.

f) Other payables

Other payable are initially measured at transaction price and subsequently measured at amortized cost using the effective interest method.

g) Revenue recognition

Revenue is recognized when the amount can be measured reliably and when it is probable that the economic benefits associated with the transaction will flow to the Association.

Donations are recognized as income upon actual receipt of money.

Interest income from bank deposits is accrued on a time proportion basis by reference to the principal outstanding and at the interest rate applicable.

h) Leases

All rentals receivable and payable under operating lease are credited or charged to the profit or loss on a straight line basis over the duration of the leases.

i) Employee benefits

Pension scheme

The Association provides contributions as retirement benefits for those employees who are eligible to participate in the Mandatory Provident Fund Scheme (the MPF Scheme) under the MPF Scheme Ordinance. Contributions are made on the basis of a percentage of the employees' relevant income in accordance with the rules of the MPF Scheme and are paid into the said scheme. When payable, all contributions are charges to profit or loss of the Association. The employer's portion of contributions vests fully in the employees. The assets of the MPF Scheme are held separately from those of the Association in an independently administered trust fund.

PRINCIPAL CHAN FREE TUTORIAL WORLD LIMITED (LIMITED BY GUARANTEE) . NOTES TO THE FINANCIAL STATEMENTS 31ST MARCH, 2014

3. TAXATION

No provision for Hong Kong Profits Tax has been made in the financial statements as the Association is a charitable institution under Section 88 of the Inland Revenue Ordinance (Chapter 112) and is therefore exempted from taxes levied under this Ordinance.

4. PROPERTY, PLANT AND EQUIPMENT

Details of property, plant and equipment are given in Schedule 1 annexed to the financial statements.

5. AMOUNT DUE TO A DIRECTOR

This amount is unsecured, interest free and has no fixed repayment term.

6. CASH AND CASH EQUIVALENTS
